

# OSLO HARDROCK FESTIVAL

**In the beginning God created Rock'n Roll..... in 2006 at Kongsberg in Norway, Siggen created his club "Siggen's Hardrock Aften".**

**He hosted 3 parties every year for faithful metal headz that had fun and enjoyed good music.**

Every party was special, because the theme was that only one year got presented on each party. He presented the band very well, with a full bio. Sometimes video was showed and other times just the music. The participants had to choose one song each for the party, and no one knew what the person had chosen. So the playlist for the whole evening was always set before we meet.

It got very popular, from a few friends in the beginning, it grew to over 50 regulars, and over the past 14 years over 150 people have visited the party, shared music, eat a lot of pizza and drink a "few" beer.

Oslo Hardrock Festival are based on the ide' of Siggens Hardrock Aften and we would like to thank him for the inspiration.

Next year in 2021 it is the 15th anniversary for Siggen's Hardrock Aften, and Oslo Hardrock Festival will celebrate it with a mighty Winter Metal Fest.

## **The Vision**

Festival vision is to bring new and up&coming band to the stage. The main purpose is to book band that have not played in Norway before or in Oslo.

And all supported by good old bands that have not been in Norway or Oslo for a very long time.

At Winter Metal Fest 2021 it will be 6 band on stage from 5 different countries in Europe.. Two of the band have never been in Norway before, and one have never been in Oslo. One band have never played at a festival, so it will be thyre first time and the headliner have not been here for a long time too, and we will guarantee that it will rocks!
